If you will do (or did) writing before conversations, then during your writing time write phrases that you plan to say.

#### You're on a trip and have a bad cold. Ask the hotel clerk for help.

You: Say you are feverish and have a sore throat.

Classmate: "Sorry to hear that. Would you like me to call a doctor?"

You: Say you think some medicine and a good night's sleep should cure it.

Classmate: "There's a drug store just around the corner. Can you make it?"

You: Say you feel well enough to walk there.

Classmate: "Take care. If you need help, just call us. Oh, by the way, you might like to get some juice or water while you're at the store."

You: Say you'll follow their advice, and thank the clerk.
